I am to inform you that the transport charges of the food-gifts donated by the church world service U.S.A. for distribution in Madras Province will continue to be borne by the Government till the end of December 1948. I am also to impress on you the fact that the diversion of the cargo to Madras Port will considerably reduce the transport charges which this Government have undertaken to bear and to urge you strongly to press your representations further to the Central Relief Committee in New Delhi and the church World Service In New York to Service to see that the supplies are hereafter sent to Madras direct and not to Bombay or other distant ports.
